

MOE-JO

Earth-Friendly
Carpet
Cleaning
Solution

**You can
actually
see it
working**

Moe-Jo Carpet Cleaning Solution contains a light foaming agent to serve as a visual reference to keep from over wetting the carpet.

No harsh chemicals

Moe-Jo Carpet Cleaning Solution is a salt water based cleaner that both cleaning staff and building occupants alike can feel safe when it's used. Specially formulated to work with Little Moe and portable extractors, Moe-Jo does not need to be rinsed out of cleaning equipment and it will never clog spray jets.

21st century technology

Moe-Jo works synergistically with Little Moe to remove dirt and grime from the carpet fiber leaving a fresh clean appearance. With a dilution rate of only 4oz. per gallon, a single container of Moe-Jo will clean up to 20,000 sqft.

Eliminate the need for traffic lane cleaners,
de-foamers and rinsing agents.
